Business arising from Correspondence In:

After much discussion among those present, it was agreed that if you have not qualified, you may ride as HC. This makes it fairer for those members who are in line for EOY Awards and placings.

Kate suggested a set of **club rules** needs to be clearly set out, which encompasses general club rules, championship rules, leadership rules. This will be a stand-alone document the club and members can refer to with documented amendments over time.

Kate also mentioned we need **nominations** for committee award, service and sportsmanship, and green horse awards to be taken to a special meeting. This will be circulated to members in a separate email. Members can provide their nominations via email to any of the committee either by email or in writing at this weekends event. Committee encourages members to make nominations for the awards.
