**It was mentioned that at the last Members’ Day, pencillers did not show up. This makes it difficult to start the day. Kate suggested we use a megaphone to call up pencillers. It was also suggested that we have “reserve” pencillers but these are difficult to find. Another suggestion was that entry fees be increased.**

**“Chris Gray proposed that if riders are nominated for a job, and they do not do it, then there will be a consequence. The consequence will be that riders will forfeit their next ride, whether it be on the same day or at the next competition. This was seconded by Leane Williams. This will be in place from the next competition, onwards.”**

Leanne Donald suggested that a jobs’ list be put up where everyone can see it, so people can tick themselves off before they go do their job.

The Leaderboard will be published on the website. This needs to be up after every competition.

Susie Murdoch suggested that the Cheryl Langland's Award be used for the "Greenhorse". It was mentioned that people need to nominate a "Greenhorse". It was agreed that any nominations be made to Angela Fritz, the Leaderboard Operator.

Lyn Robertson suggested that the club scraps the Masters' Competition for this year. This was agreed to.

As there was lots of enthusiasm present, it was suggested that at the meetings in the future, members speak one-at-a-time. Meeting closed at 9:05pm
