**End of Year Award's Night:** – people should start thinking about getting their nominations in for the club – all current committee members will stand down – need new nominations in October – Award's Night is 29th November at the Cultural Centre at Gatton – Lyn said if you feel you want to take a position and have a go, then you will be supported

Wendy Palmer reported that she had talked with another member of another club and since the new showground won't happen in near future, people need to do own catering for shows – Kingsley Catering is talking about coming back for the bigger shows

Wendy talked to Cam about our dates – our club history goes way back with Gatton – After discussions with another member of a different horse club who uses Gatton grounds, Wendy thinks that we might need to amalgamate with other horse clubs and run our days this way – the Mayor of Gatton wants to build a larger, better showground at Grantham, outside Gatton
