Message from the President

Winter is finally here and I hope that you and your ponies are staying happy and healthy during this cold snap. The best part about winter is that you can ride in the middle of the day without getting hot and sweaty - there has to be an upside to the chilly season!

It has been a busy time for the committee, with lots happening on the horizon. The July Members and Open competition is shaping up to be a bumper one, with sponsorship being received by Equine Vit & Min as well as Dr Show who have kindly donated products for the Champion and Reserve Champion of each class. These are great businesses to get behind and we hope that our members will support them.

We have also had a recent addition to the LEGs website, with the Members Leaderboard being published and available for you to view your scores for each competition.

A big thank you to Angela Fritz for putting the Members Leaderboard together and continuing to update after each qualifying event.

Until next time, safe and happy riding!

Lyn Robertson

Club Updates

Competition Clothing

During the recent July Members Meeting, it has been agreed that for all future LEG members and club days, competitors must wear;

- Light coloured breeches or jodhpurs
- Shirts must have a collar and sleeves
- Formal attire must be worn to all official days.

As usual, approved helmets, gloves and appropriate riding footwear must be worn when mounted and riding your horse.

Club Mounting Block

LEGs sends a huge thank you to [Horseland Ipswich](#), who have been kind enough to sponsor our club with a mounting block.

This is an awesome addition to our equipment and will be available for use at every club day – so you no longer have to struggle mounting from the ground or off a bucket or milk crate.

Thanks you Kate and to your wonderful [Horseland Ipswich](#) team!
