**Correspondence Out:** none

**Treasurers' Report:** Not available

**General Business:**

Margaret Drew – The action group that has been formed to facilitate the development of the Rosewood Equestrian Park is to be known as the Rosewood Equestrian Group (REG). REG have requested LEGs club profile on club letterhead. Lyn is going collate this. The group is forming a data base of relevant clubs and have asked for participating clubs too provide names of committee members and numbers horses owned by members in the area. Ask Dannii to set up survey monkey to find horse numbers. Next meeting for the Rosewood Equestrian Group will be held 19<sup>th</sup> May RSL Hall Rosewood anyone interested please call Margaret Drew 0417376072 for further information.

Lyn reported that Charleville running a Masters Games in September sent us copy of their program starting at 30yo also incorporates western dressage competitions in conjunction with other sports in their area.

Sharyn - Gary Wells owner of the Horse 360 App will do Emmett demo/information day for club members and offer treatments for Gary to do horses and/or people. Maybe see if we can do a Saturday before a comp day in the indoor arena. Some other suggestions for information/training days were also discussed.

Problem with speedway being on Saturdays before our Members Day Comps as people who want to camp over for the night are not allowed to keep horses on the grounds due to speedway insurance policy. We do now have members travelling some distance to our event so this is a problem for them. A number of people at the meeting offered their own places being available to anyone who is found in this position. Speedway is on this Saturday before our April Comp.

Meeting closed at 8:45 pm
