Dates will be sent to Petra to update the website

Danni Cunnane – a member informed her that a company, Vit &Min, was interested in sponsoring some events.

This company want their name publicly displayed, flyers and samples distributed on the day, make public announcements on loud speaker, email photos of each prizewinner.

This will be a non-points day. Ponies have to be included as well. Participants will run to Novice only.

The club needs, ideally, two members to become the Sponsorship Officers. Anyone who is interested, please contact Danni Cunnane.

Danni Cunnane to email Newsletter out, and to include it on Website. She will also have it at the next Members' Day, ready to read.

It was also suggested we have a mounting block. It was thought that this equipment is up to the rider to bring. At this point of time, it was decided that the club will not provide one due to health and safety regulations.

Meeting closed at 9:05pm
